DECLARATION

REACH regulation – SVHC Substances of Very High Concern in our products

We inform you that the products sold by our Company do not contain dangerous chemical substances listed as “nominated substances”, subject to authorization as per arts. 57 and 58 of the REACH 1907/2006 regulation.

We are carrying on the complete checking towards our suppliers in order to complete the analysis on presence of the above mentioned substances in our products.

We will promptly keep you informed of the inspection results and updated information.
