SLIM JIM® SINGLE STAINLESS STEEL DOLLY

Slim Jim® Stainless Steel Dolly is designed to support and transport Vented Slim Jim® containers smoothly and efficiently through any commercial facility. This Slim Jim® accessory promotes recycling and improves productivity by offering the ability to transport multiple waste streams at one time.

FEATURES & BENEFITS

- Constructed of quality stainless steel material that is easy to clean and won't rust or chip in moist environments.
- Features 3" non-marking quiet casters that allow for smooth and quiet maneuverability.
- Locking feature on casters creates a stable recycling station or collection site.
- Fits both 16 and 23 gallon Vented Slim Jim® containers.
