Pictures & Description

Manutan code: A133451
Supplier code: 8066D2-7CLED
Description: magnifier lamps
Overall size: 1220X200X100mm
Standard mount: table clamp
Color: white
N. Weight: 1.8 kg
Standard: RoHS

Lens specification

Technology	LED
Material	glass
Dimension	5"
Magnification	3diopter
Voltage	220-240V
Light source	56 pcs SMD
Energy consumption	9W /1000h
Luminous efficiency	650lm
Color temperature	6000k-7000k
Magnitude	1.75x

Lampshade specification

Material:	plastic (ABS)
Color	white

Arm specification

Material	iron
Length	400+400mm,9.5x9.5mm
Color	white
Surface finish	Spray paint

Clamp specification

Material	plastic+iron
Color	white
Surface finish	injection molding
adjustment size for using	9.5-64.5mm

Accessories

Hex key wrench for arm adjustment	NO
Switch	YES
Electronic ballast	YES
power cord	L=1650mm,VDE, 2X0.75mm2
UK adapter
